Dear Parents and Caregivers,

Two weeks ago we celebrated with all the fathers and father figures in our lives with a bacon and egg breakfast, a liturgy in the hall followed by sunshine reading on the friary with the students. It was wonderful to see so many people here from the community celebrating with us. The students enjoyed the morning immensely as I hope the visitors did as well. A big thank you to P&F Committee for the scrumptious bbq and all their efforts in the organisation of food and coffee.

The combined OLOR and St Angela's Parish fete is on Saturday 20th October at St Angela's this year due to our upcoming building works. Hoping that many of the OLOR community will go and support the fete. Raffle tickets are still available via the form in this newsletter and also sent home this week. First prize is a whopping \$10,000 CASH.

I am very excited to inform the OLOR community that The School Locker will be co-ordinating the sale of our school uniforms commencing in Term 4. After consultation with the parents of the OLOR community, I have decided to outsource this service so as to enable a consistency in both quality, price and supply of our uniform. This organisation services many schools with great success.

Year 5 left this morning to go to Camp Yarramundi for 3 days. We wish all the students and teachers a safe and fun filled few days away and look forward to welcoming them back safe and sound on Friday.

I wish you all a lovely week ahead with stunning weather. I leave you with this thought:-

"Remember who you are. Don't compromise for anyone, for any reason. You are a child of the Almighty God. Live that truth." -Lysa Terkeurst

Parliament and Civics Education Rebate

Students from our school will soon be undertaking, an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

News from Sr Antoinette

Dear Parents,

I hope you are enjoying the beautiful Spring weather. I would like to share some more insights from Michael Grose's Blog:

▣ Taking a different approach

Here are some strategies that will increase the likelihood of getting cooperation from kids who like to be the 'Boss':

1. **Don't fight over every issue:** Cut the little 'Boss' some slack and let them make some decisions themselves. If you want a say in every area of their lives then you'll soon find yourself locked in power struggles over relatively inconsequential issues like clothing, bedroom tidiness and food. For instance, if a young child doesn't want to wear a jumper in winter then so be it. There are bigger parenting fish to fry! I see parents exhaust themselves over minor battles so that when big issues come up, they just give in!
2. **Tell them what you will do:** Most of us tell kids what to do, which they promptly ignore. It's far better to tell them what action YOU will take. This subtle shift in language has a huge impact in terms of getting some cooperation from 'Make me' kids. Next time you want to tell you child what to do, catch yourself. Instead, tell them what you are going to do. Here's some examples: "I'll serve ice cream when you are seated at the table." "I'll listen to you when you have calmed down." "I'll drive when you are quiet." Get into the habit of focusing on what you will do, rather than on what they should do and you'll start to see an shift in terms of getting cooperative behaviour almost immediately.]
3. **Let consequences work their magic:** Of course, you need to stop nagging kids about their behaviours and allow them to experience the consequences of some of their poor choices. This removes you from the power struggle and lets experience be their teacher.

Power-hungry or bossy kids challenge parents who are authoritarian by nature, or who were raised in very authoritarian ways. These kids need smarter handling if we are going to get cooperation from them. They are often referred to as stubborn, disobedient, pig-headed and argumentative. The flip side is that they can be strong-willed, assertive and determined individuals.

Religious Education

OLOR Religious Education Goal

OLOR's Religious Education Goal is for all students to gain a deeper understanding of scripture through the **Spiritual Sense**. In the Diocese of Parramatta, learners inquire into religious concepts by building knowledge, making meaning and applying our understandings. The **SENSES**, a powerful process of engaging with scripture is a way to develop a deeper understanding of our faith. Our goal focuses on the **Spiritual Sense** and we believe that we act justly when we have a deeper understanding of scripture and when we recognise Christ in it.

Each term, in all grades, students explore the **Spiritual Sense** of scripture through quality learning activities that enable our students to develop a deeper understanding of biblical texts and their faith. Below are some examples of the deep understanding our students are gaining from scripture. You may like to use the **SENSES** at home when reading scripture with your family.

GARDEN CLUB

Wow, what a busy time in the garden.

A huge THANK YOU to all our gardeners for coming each week in what is probably not the most exciting time.....we are moving all our garden beds. So far, 7/10 beds are moved into their new position with the other beds to follow as crops finish. We have planted potatoes, spinach, corn, radish, zucchini, cucumber, eggplant, beetroot, rocket, rhubarb and very soon our first ever asparagus!

We have an olive tree, a new lemonade and lime.

This week also sees OLOR being judged again in the Orange Blossom Festival Competition.

If enthusiasm was in the judging criteria, we'd win every time!!!

There will be **NO GARDEN CLUB WEEK 9**I apologize for any inconvenience

The Sport team are so excited to announce that our school is beginning the exciting journey with the Stephanie Alexander Kitchen Garden Foundation. You may have heard about this wonderful school program which involves the students planting, growing and harvesting produce and then preparing and cooking with it when it has grown.

We already have our Garden Specialist in Mrs Harvey and Mrs Stitt has taken on the role of Kitchen Specialist. Both have been trained in implementing this program into the school and are really looking forward to teaching it.

We are starting small. Year Three will be our first group through in Term 4. Mrs Stockey is also excited about this new program and has kindly given us access to the school canteen to run our kitchen lessons from. It will be trial and error for a little while as this is something completely new to the school. Parents of Year Three students please keep a lookout for notes or emails/ Facebook posts about the program. Notes will be coming out before the end of term.

We do need a lot of equipment however and that's where we need you! We are hoping that we won't have to buy a lot if we receive donations from the school community. We are looking for utensils - big spoons, mashers, ladles, egg flips, wooden spoons, whisks, slotted spoons, cutlery, plates, bowls, mixing bowls, salad bowls, kitchen scales, measuring spoons and cups, and everything else Kitchen related. If you have anything spare in your kitchens in good working order still please send in to school. We are also in need of old wheel barrows ... maybe you've seen one out for a council pick up or you have one without a wheel. They are perfect for growing herbs and edible flowers in. Please send in all donations to the PE team... the children know where our room is at the back of the hall. Many thanks to you all and looking forward to this new journey together.

Yours in gardening and cooking,

The background is a vibrant collage of festive elements. At the top, colorful fireworks burst against a blue sky. Below them, several signs on sticks announce 'ENTERTAINMENT!' (green), 'RIDES!' (blue), 'MULTICULTURAL FOOD!' (orange), and 'FIREWORKS!' (red). The scene is filled with falling green banknotes and gold coins. In the center, a pink semi-circle contains the text 'OUR LADY OF THE ROSARY'. Below this, a purple banner features the word 'PARISH' in white. The largest text, 'Fête!', is in white with a red outline on a red background. Underneath, a pink semi-circle displays 'SATURDAY 20TH OCTOBER'. Further down, black text provides event details: '10AM TO 8PM ENDING WITH FIREWORKS ON ST ANGELA'S SCHOOL GROUNDS'. Below that, the address '40 HARRINGTON AVENUE CASTLE HILL // INFO 9629 2595' is listed. At the bottom, two hands are shown holding money, with a large red '\$10,000 RAFFLE PRIZE' text centered between them.

OLOR IS NUT FREE

We have an increasing number of children in our school who suffer from an anaphylaxis reaction to certain foods etc. but in particular, nuts.

To assist in our duty of care for these children, direct nut products or products that list nuts as an actual ingredient, eg. peanut butter and nutella, are not permitted at Our Lady of the Rosary School. Please also keep this vigilance when sending in birthday cakes, cupcakes and other confectionary for whatever purpose. Additionally, we will continue to ask that children not to share their food.

EVERY DAY MATTERS

CHANGES TO STUDENT LEAVE APPLICATIONS: COMPULSORY SCHOOL ATTENDANCE

The Catholic Education Office Diocese of Parramatta (CEDP) has procedures and guidelines in place to achieve high standards of student attendance in collaboration with parents. Parents are required by law to ensure that children aged between 6 and 17 years attend school. Schools are required to monitor and keep a register of student attendance and explained absences.

Requirements for Extended Leave from attendance for student absence and travel

- 1-4 days absence: Parents **must** notify the school principal by mail or email (written) at least 2 weeks before leave date.
- 5 or more days absence: Parents must complete and submit the *Application for Extended Leave* form at least 2 weeks prior to commencing leave (Copies of travel documents must accompany this application). If approved the Principal issues a *Certificate of Extended Leave*. If the Principal declines this application (i.e it is not within the best interest of the child to take leave and be absent from school), a letter notifying parents that the application has been declined would be forthcoming.
