Dear Parents and Caregivers

I cannot believe that we have nearly completed week 8 of Term 4 of the 2017 School year. So much is happening in these last 2 weeks of school. We ask for parental support to ensure that students are at school every day and on time. Please ensure that appointments during school hours are kept to emergencies only as it is imperative that students are present for the last 12 days of school. A reminder that if your child is not returning to OLOR in 2018, could you please contact the school and pick up a Leaving Student form immediately.

Teachers are currently finalising Semester 2 Reports which will be going home on Friday 8th December with the students. I thank all the efforts and hard work of my teaching staff in preparing these reports so diligently and professionally. There is a lot of hard work and extra time that goes into these reports behind the scenes that we sometimes take for granted, so I would like to personally thank all the teachers for their efforts.

Over the last fortnight we have held an information session for parents of grades 1,2 and 3 to showcase some exciting initiatives here at OLOR with Agile learning. I would like to thank those parents that attended some of the sessions that we have had and hope you found them informative and impressive.

Today we have many teams at the Diocese League Gala Day at Doyle Park. We wish all these participants good luck and thank the teachers for organising the teams today.

Next week, our year 5's and 6's are going to Dee Why for a Surf Education day. They will be participating in some exciting workshops on the beach for the duration of that day.

On Monday 11th December, we would like to invite all the community of Our Lady of the Rosary to a Thanksgiving Assembly in of honour our teachers who have recently left and also those that are leaving us at the end of the year. This assembly will commence at 11.30am and we would love for you to join us to wish these teachers well for their future endeavours.

Parish Christmas Carols will be held this Saturday 2 December at OLOR commencing with a 6pm Mass and then Carols by Candlelight at 7pm. Christmas at the Shrine will be celebrated on Saturday 9th December from 10am to 1pm at The Franciscan Shrine, 8 Greyfriar Place, Kellyville. There are many activities organised for that day and even though it is a very busy time of the year, we encourage you to come along.

Could all parents please check their children's belongings to make sure that they have the correct jumpers, hats, jackets etc as many students are missing items of clothing especially school hats. Could you please return anything that doesn't belong to you to the school asap.

Wishing you all a safe week.

Annelise Stockey
Principal

Dear Parents

It is with mixed feelings that I write for what may be the last time in an OLOR newsletter. When, out of a teaching career totalling 37 years, 17 of them are spent in one school, that school community takes on a particularly special meaning. I have been seconded twice previously and each time found my way back to Kellyville....it would appear I haven't been able to stay away from the place!

On one hand, I am excited to be taking on a new challenge working as a Child Protection Officer for the Catholic Education Office. Many people come to a stage in their working lives when the realisation dawns upon them that it's time for a change of direction and with this opportunity I feel that I'll be able to challenge myself anew.

I will also be able to remain truly connected to what drew me to teaching in the first place...to be able to provide a safe and fun learning environment for each and every one of the children entrusted to my care. This time the focus will be sharpened to ensuring the environment is as safe as possible. We constantly tell the kids that learning is a life-long process and I believe the next twelve months will afford me the opportunity to continue my own life-long learning journey.

On the other hand, I am saddened that I will possibly be ending an enormously enjoyable stage of my professional life. I have been privileged to share myriad personal stories of so many OLOR Kellyville families and I truly treasure this experience.

The OLOR community has an intangible quality that can't be expressed in words but needs to be lived to fully appreciate...I am fortunate enough to have had seventeen years to live the full gamut of this community. Like all people gathered in community, OLOR Kellyville has experienced many highs and even had its share of lows but from my observations the highs far, far outweigh the lows.

I am confident that I am leaving a school that has a very solid educational foundation, an enviable community spirit and a sense of purpose and direction that will ensure the best possible learning outcomes for all students. The dedication and professionalism of the staff members are attributes that will go a long way to maintaining these essential qualities that presently define OLOR as a community of learners. I have every confidence that these qualities will continue to be nurtured and strengthened under the guidance of Annelise and the Leadership Team.

I will probably drive out on the last day of term with tears in my eyes or a lump in my throat (quite possibly both) but please know that Our Lady of the Rosary Kellyville will forever hold a special place in my heart.

Be kind to each other and, just as importantly, be kind to yourselves...God knows the world could surely do with a little more kindness.

Take care

Mark Devlin

This is an international competition with over 230,000 participants in this subject area alone.

OLOR Year 3 Sunday Parish Mass

Last Sunday, OLOR families and parishioners celebrated with Year 3 at the OLOR 11am Parish Mass. It was a wonderful opportunity for the Year 3 children and their families to share in the prayer life of our parish family and to take a leading role during the Mass. The Year 3 students and their families are congratulated for their service, and their commitment to their Parish community is greatly appreciated. We hope to see you all at our next OLOR Sunday Parish Mass early next year.

Advent Liturgy

This Friday 1st December at 9am, we will celebrate Advent with our Advent Liturgy in the school hall. Advent is a time of waiting and preparation, as we get ready for the coming of Jesus each Christmas. In the scriptures, The Annunciation (Luke 1:26-38) and The Visitation (Lk 1:39-56), the great Advent themes of hope and joyful expectation are presented. Mary is a woman of faith who listens to and trusts God's word in her life.

The Meaning of the ADVENT WREATH	Symbol	Meaning
	Circle	Eternity of God
	Evergreen Wreath	Life, Immortality
	Candle	Jesus is the light of the world.
	4x Candles	Four weeks of Advent
	3x Purple	Purple = prayer, penance, & preparation
	1x Rose (Pink)	Rose = Rejoicing

I wonder ...

- What does The Annunciation (Luke 1:26-38) tell me about the Father, Son and the Holy Spirit?
- What Sacraments are present in the scripture?
- What does the scripture call me to do in my life?

During Advent, the Church urges us to look forward in Christian joy, hope and prayer. At Christmas, Christians are invited to reflect on the presence of Jesus in their lives and to be faithful to God's word. You may like to view Advent HD with your family:

Carols by Candlelight

Carols by Candlelight will be held on OLOR School grounds this Saturday 2nd December at 7pm after the 6pm Mass. Special guest musicians will join Joe App and our choirs to help our whole community prepare for the Lord's coming at Christmas. A sausage sizzle will be available to purchase along with cake, sweets and soft drinks. Children can bask in the neon coloured glow sticks on sale. Please bring a picnic mat to sit on the grass together with your family and friends. We look forward to seeing you there enjoying the season of Advent.

News from Sr. Antoinette

Dear Parents

It's hard to believe that we are into Week 8 of the last Term. This coming weekend we celebrate the beautiful season of Advent—a time of gently waiting and preparing for the gift of love at Chirstmas. :”Come Lord Jesus”.

PBS4L:- During the last two weeks of the term, we will be focusing on working together to formulate Handball and Basketball Agreements for the netball courts. The staff are very pleased with the way the children have been really trying to honour the Friary Agreement.

SPORTS SPECTACULAR BY MRS HARVEY AND THE SPORTS TEAM

DIOCESAN GYMNASTICS

Last Thursday, 23rd November twenty of our students competed in the Parramatta Gymnastics Competition at Sydney Aquatics and Gymnastics Centre, Rooty Hill.

It always astounds me that these students have so much composure and poise at such a young age. Their ability to focus, and command the best of themselves is such an amazing skill to have developed so early on.

Michael T was our most rewarded gymnast on the day with a 6th place on mini-tramp and was then placed 5th Overall in Gold Boys, while Zoe Mc and Natasha V had call backs on floor, helping to propel our **GYMNASTICS TEAM TO SECOND PLACE**, in the Gold section for a team of twenty.

As our results indicate, our gymnasts competed at a very high standard and should be so proud of their achievements.....

Bike Safety Program by Mrs Prince

Yesterday 3W and 4G completed their Bike Safety assessment. Now all year 3 and year 4 classes have completed the Bike Safety Program.

The children were amazing. They navigated the traffic lights, stop signs, speed bumps and roundabouts with great control and precision and the last classes should soon be receiving their OLOR cycling licences. Even with the excitement of having their bikes in school and being out on the bike riding course their behaviour was exemplary throughout.

CHANGES TO STUDENT LEAVE APPLICATIONS: COMPULSORY SCHOOL ATTENDANCE

The Catholic Education Office Diocese of Parramatta (CEDP) has procedures and guidelines in place to achieve high standards of student attendance in collaboration with parents. Parents are required by law to ensure that children aged between 6 and 17 years attend school. Schools are required to monitor and keep a register of student attendance and explained absences.

Requirements for Extended Leave from attendance for student absence and travel

- 1-4 days absence: Parents **must** notify the school principal by mail or email (written) at least 2 weeks before leave date.
- 5 or more days absence: Parents must complete and submit the [*Application for Extended Leave*](#) form at least 2 weeks prior to commencing leave (Copies of travel documents must accompany this application). If approved the Principal issues a [*Certificate of Extended Leave*](#). If the Principal declines this application (i.e it is not within the best interest of the child to take leave and be absent from school), a letter notifying parents that the application has been declined would be forthcoming.
