Greetings!

Our Gospel reading this week is very challenging. In this reading Jesus asks us to put God first.

Being a Christian in the early days often resulted in strong family conflict and could result in splitting families. Putting God first was a high cost in many ways. Our reading on Sunday reminds us of this cost and challenges us to think about what is really important in our lives.

In our Weekly Theme we are looking at:

- **Choices and how putting Jesus first can be difficult.** The “right” choice can sometimes upset those around us. Jesus understands this.
- **We can pray to Jesus for the courage to make the “right” choice.** We can pray for the strength to always put Jesus first.
- **Being too attached to our possessions can get in the way of putting Jesus first.**

We have asked the children to talk with you about a difficult choice you have had to make. I encourage you to talk with them about the “costs and benefits” of this choice. You could remind them of a difficult choice they have grappled with and how you thought they handled it.

Thank you for taking the time to share these teachable moments with your child.

Thank you to those Mums and Dads who were able to give some time on Saturday morning. As the children have probably told you the rails and wire have been taken down and put aside for later. The grass is being lifted off the Friary at the end of this week and construction should get underway during the holidays. With fine weather, the oval and car park will be ready by Christmas. The oval will be ready for the start of the New Year.

Welcome back Fr. Joe. We hope you had a lovely time with your family.

Best Wishes

John Spradbrow

ST FRANCIS DAY LITURGY/ANIMAL PARADE

This is just a reminder that OLOR will be holding a Liturgy to celebrate St Francis Day on Tuesday 8th October (first day of Term 4).

**The Liturgy will be at 9.15am** held in the school hall and will be followed by a Parade.

Children are asked to come dressed as their favourite animal on the day.

All are welcome to come join in this celebration.

STRINGS LESSONS

There has been such demand for the purchase of instruments and string lessons outside of the classroom, that we are now able to offer group strings tuition with our own highly professional and sought after specialist teachers.

This system of group lessons gives access to the best quality tuition to the maximum number of students for the lowest possible cost.

An information evening for Small Group Strings Lessons will be held on Tuesday 17th September at 7.30pm in the School Hall. If you are interested, it would be appreciated if you could RSVP to this evening by calling the school office on 96292566. Thank you.
LIBRARY LOOK

As we approach the end of the term, it would be much appreciated if you could have a look at home and see if you have any library books that need to be returned. We will be undertaking a stocktake next term and it would be really helpful if we can stay on top of overdues. If your child brings home a yellow note saying they need to return a book/s, we ask that you have a good look and if the book/s can’t be located, please send us an email to: olorlibrary@gmail.com, letting us know it can’t be found. This is particularly important for the year 6 students. They need to have all books returned before the end of the year, as their record follows them to high school.

We are expecting the last of the Book Fair orders in the next couple of days and we thank you for your patience in this matter. Please let us know if your child didn’t receive a book they ordered.

We thank you for your support, as always.

Mrs Julie Walter – Teacher Librarian
Mrs Tracy Hunt – Library Assistant

SCHOOL FEES

Term 3 is fast coming to an end and any outstanding fees are now Overdue. Please forward payment of all outstanding fees before end of this Term.

As advised in previous newsletters, if you had made arrangements to pay school fees through the Flexible Payment Plan, the Swim Program cost of $70 for Years 1-4 would not have been included in this arrangement, as this fee was not billed until Term 3. A statement will be sent to those families where this fee has not been paid.

Thank you to all families who have finalised their school fees for 2013.

News from Sr Antoinette..........

Thank you to those parents who have responded to my invitation in last week’s newsletter and special note re an informal prayer time next term. There is still time to respond. A reminder of what it is all about see below:

Next term I am hoping to facilitate a gathering of interested Mums/ Dads for a short time of informal reflection after Morning Assembly once a week. If you are interested you could email me and let me know whether Tuesday, Wednesday, or Thursday is best for you. My email is adoyle4@parra.catholic.edu.au

Below is another excerpt from Andrew Fuller’s article.

How to avoid a boring life
If you get scared of getting things wrong, you won’t try new things. If you don’t try new things you become bored and boring. Life becomes mundane, dull and routine. Parents can arrange to do things with their kids that they have never done before. Quirky adventures don’t have to take a lot of time or money but they do take some thought and planning. Plan to have your child (and yourself) go somewhere they’ve never been before or do something they have never done before. Don’t settle for anything less than an interesting life.

Think of a time when it was hard
We’ve all done things that at first seemed impossible. We’ve all struggled at times in our lives. Share some of those stories with your kids so they know that you have shared the same doubts as they have. Talk about times when you could have given up but you didn’t.

KNITTING CLUB 2013

As knitting club draws to a close for 2013 a sincere thankyou goes to all those who enthusiastically came along to learn to knit, knit squares and scarves, sew blankets and to those who sent in squares, blankets and scarves.

A special thankyou goes to the Mums and Nans who came to school on a regular basis, to help with the knitting and sewing up the blankets.

Over the last two years the knitting club has made 24 blankets and 12 scarves.

A fantastic achievement.

Recently at assembly we handed over the blankets and squares to Penelope Hale from St Vincent de Paul who in turn thanked and presented our school with a Certificate of Appreciation.

Penelope handed the blankets over to a women’s shelter and said that the looks on their faces were priceless and was asked to pass on their thanks to all those involved.

Knitting Club may be over for this year but keep those knitting needles knit, knit, knitting so that next year we will have many squares ready to sew together. If you already have some squares ready please send them to the school office so that our special sewing Nans can get started for next year.
